

THE SMITH JURY COMPLETED TODAY.

Joseph King of Everson Chosen the Twelfth Member.

TAKING OF TESTIMONY BEGUN

Defenses Accepted the Last Juror Promptly Without Question After He Had Been Accepted by the Commonwealth—The First Witness.

The jury, composed of Alexander, German township; John Frankenberg, Springhill township; Louis Corto, Perry township; Daniel Newell, Perry township; James W. Cole, Dunbar township; Harry D. Hadden, North Union township; Charles T. Hadden, North Union township; Charles T. Hadden, North Union township; Guy Mahaffey, Uniontown; Harry T. Mahaffey, Uniontown; Elmer H. Davidson, Uniontown; Joseph H. Kline, Uniontown.

Special to The Courier. UNIONTOWN, Sept. 14.—The acceptance of Joseph King, a former deputy sheriff in the 12th jury in the case of B. Frank Smith, charged with the murder of his father and brother-in-law, came as a great surprise. King, who resides in Everson, assisted at the hanging of Giovanni Malina about two years ago. He is said to have sprung the trap.

At 11 o'clock Smith was told to arise, the jury was sworn, the roll called, and they were instructed to remain together to hear the evidence. During the trial, they will be quartered at the Morion house, opposite the court house.

Assistant District Attorney George Patterson at once proceeded to open the case for the Commonwealth, giving in detail the different degrees of murder. He stated that he would ask for a verdict of first degree.

Harry D. Gane, a Uniontown engineer, was the first witness called, taking the stand at 12:30. His testimony consisted in describing the lay of the land about the Smith home. Blue prints were presented to each of the jurors so that they will be fully familiar with the place.

King was the tenth juror called this morning. During the examination of the other nine, the defense was forced to use three peremptory challenges, the Commonwealth using none of the 120 jurors called, three were excused because of sickness, making 126 examined.

The case is expected to cost Fayette county between \$3,000 and \$5,000, according to the attorneys who have it in charge.

Spectators in large numbers continue to flock to the trial. Chairs reserved for the ladies are all occupied. Attorney T. P. Jones conducted the cross-examination, Attorney W. C. McKee consulting with him frequently as to the line of questioning to be followed.

This morning, when the roll was called, several of the 40 special jurors failed to answer to their names. Judge Van Swearingen directed the Sheriff to issue attachments. Of the 10 jurors called, however, all were present when their names were drawn from the box.

Lyons Morgan, a law student was the first juror called today and was challenged promptly by the defense.

D. N. Craft, Uniontown hardware man, had formed an opinion and was challenged for cause.

The fact that John DeTemple is special officer for the Pennsylvania railroad at Connellsville and had been looking for Smith following the tragedy resulted in his challenge prominently by the defense. This was necessary because DeTemple stated he had not formed an opinion as to the guilt of the defendant.

L. D. Craft was excused from duty because of sickness.

Charles H. Dickson, a Uniontown clerk, had a fixed opinion. A challenge for cause by the defense was sustained.

John H. Rittenhouse was accepted by the Commonwealth, and as he said he would be guided by the testimony, it seemed that he would be accepted. On being questioned by the defense he stated he had formed an opinion which might be changed by evidence. He was challenged for cause, this being overruled by the court. He was further questioned by Judge Van Swearingen and said it would depend on the nature of the evidence whether he would lay his opinion aside. This challenge was sustained.

H. G. Johnson, a merchant of the county seat had a fixed opinion and was challenged.

Joseph H. Kline, of Everson, was (Continued on second page)

J. B. Gladden, Street Car Man, Has Left Town

James B. Gladden, for several years a street car conductor employed on the West Penn and living on the West Side, left Saturday for parts unknown. It is alleged, without even consulting his intentions to his wife, he took Mrs. Gladden to Uniontown on Friday and left her there with a baby. Saturday he received his pay and left town.

His friends are at a loss to fathom a reason for his abrupt departure. Gladden's home life was apparently happy and contented.

Gladden's friends believe he has gone west and may locate with the Aurora, Minn. & Chicago railroad, where he formerly supervised the transportation of J. W. Brown is now located.

It was known that Mr. Brown entertained a high regard for Gladden's ability and frequently brought him into the office to assist in preparing schedules and other duties before the office of Chief Clerk was created. Gladden's transportation was created. Gladden is a son of Rev. W. H. Gladden, former pastor of the Methodist Protestant Church here.

Vanderbilt Here Looking Over the Lake Erie

William K. Vanderbilt, Jr., assistant to President W. C. Brown of the New York Central lines, was in Connellsville for a short time yesterday looking over the Pittsburgh & Lake Erie railroad's terminal here. Mr. Vanderbilt was accompanied by David Harrow and Frederick Eide of New York, two business friends. While here the party did not inspect the new railroad being built by the Western Maryland.

With Vice President J. M. Schoonmaker and General Manager J. B. H. Yoho, the party came here yesterday. Yoho, the party came here yesterday. Yoho, the party came here yesterday.

THE WESTERN MARYLAND TO BUILD FINE STATION

At a Cost of One Hundred Thousand Dollars at Cumberland, Maryland.

Special to The Courier. BALTIMORE, Md., Sept. 14.—Local builders are interested in the announcement that the Western Maryland Railway Company, to the effect that the company is preparing plans for the construction of a new station at Cumberland, Md., to take the place of the existing structure, which has been in use for many years. While the plans have not yet been completed, it is understood that they call for a handsome three-story structure of brick construction for the main building, which for construction alone will cost in the neighborhood of \$100,000.

The exterior of the building will be of attractive architecture, while the interior is to be handsomely decorated and equipped with all the facilities of a modern railway station. Engineer H. H. Pratt of the Western Maryland Railway Company, will have charge of the construction work.

Insurgents Make Clean Sweep In Washington State

United Press Telegram. SEATTLE, Wash., Sept. 14.—Primary election today in Washington State resulted in a clean sweep for the insurgents. The result is conceded to be a blow to President Taft's influence in the Pacific Northwest. The insurgents carried every Congressional district and secured control of the Legislature.

WASHINGTON, Sept. 14.—An investigation into the conditions involved in the Lodge bill, which would give the administration the right to remove a federal official at will, is being conducted by the Senate committee on the bill.

It appears that when the Legislature convenes in January no provisions will have been made for an official record of the proceedings.

MEN WHO BURGLED STORE ARRESTED.

Harry Beals and Henry Harvey Said to Have Entered Water Street Place.

DECOY LETTER TRAPPED THEM

Officers Rottler and Detemple Caught Beals by This Method—Constable Duncan Landed Harvey at Dunbar Last Evening.

The two men supposed to have robbed the store of the Connellsville Machine & Car Supply Company early Saturday morning are under arrest. One has already confessed to the theft and implicates the other. The men are Harry Beals and Henry Harvey, both of whom are said to have robbed the same place about two years ago but who were never prosecuted. Some of the goods have been recovered.

Each was arrested last night but did not know the other had been taken. Officer Rottler and Special Officer John H. Detemple arrested Beals, who walked into a trap set by a decoy letter mailed him. Constable C. G. Duncan picked up Harvey at Dunbar. Harvey does not yet know that Beals has been arrested.

The officers recovered Beals' share of the swag, with the exception of one penknife, to sold to Mr. Andrews for 20 cents.

Where Harvey had his share of the stolen plunder secured, the officers have not yet learned. Harvey will be turned over to the local authorities. Rottler and Detemple sent Beals, a note signed "Mike Andrews," saying if he would bring the stolen goods to the old shanty at the end of Highland avenue he would set a hand house near Fayette where he had the goods hidden, and brought it to them in the appointed place last evening. The officers were on the job and nabbed the robber. He later made a full confession to Chief of Police Rottler and implicated Harvey.

Harvey was picked up last evening by Constable Duncan. In Dunbar, Harvey had been tipped off that Harvey was wanted here. It is not believed any others were implicated in the theft.

Suspicion immediately pointed to Beals and Harvey as the men who robbed the store, because they had broken in exactly the same way three years ago. They were not prosecuted because about the same time both were arrested for a robbery in Westmoreland county and given two years. They had been out of the workhouse but a short time before this last robbery was committed.

Two of the five rifles were recovered, they being the share Beals took. The officers also got some personal property and pipes from Beals. Information against the men will be made by Grand Myers, manager of the store.

Chief of Police George Hetzel said this morning that he suspected the two ever since he examined the method they used in entering the store. He wanted to start for Dunbar that morning but Burgess Evans counselled against too hasty action. The men were in Dunbar that day, it was learned later.

Beals will be taken to Uniontown this afternoon and County Detective Frank McLaughlin will make information against him before Squier Dunlop Blair. There are already five indictments against Beals, all charging robbery. One is an old count for robbing the same store and another for robbing Sent Brothers' store at Dunbar.

United Press Telegram. BERLIN, Sept. 14.—Fire today destroyed the Zeppelin VI at Huddersfield. The dirigible was returning from a trip to Huddersfield when the motor employed just before it reached the shed at the outskirts of Baden Baden, flames shot to a tremendous height.

The dirigible was badly wrecked. Three of the crew were badly injured. No cause was ascertained at the time. The accident is the fourth serious mishap to the Zeppelin dirigibles.

Meeting in Monday. The special meeting of the Dawson Board of Trade to consider plans for a fair celebration when the bridge is freed October 1 will be held Monday evening.

Get Marriage License. David H. J. Miller of Greensboro, a store manager, and Myrtle E. Bailey, an Ohioan school teacher, were licensed to wed today.

Consignment of Fine Pheasants. F. T. Adams, the wholesale produce dealer in Uniontown last night and paid for the pheasants this morning from Spring Gap, W. Va.

J. D. Sturgis Dies; Received Injuries in Auto Accident

J. D. Sturgis, one of the oldest and most widely known traveling men of Western Pennsylvania, died last night in the Allegheny General hospital, Pittsburgh, as the result of injuries sustained last Saturday in Pittsburgh when he was run down by an auto.

Mr. Sturgis had traveled for years for Arbuckle Bros., Pittsburgh and was widely known in Connellsville and Fayette county. Cards were received here by the merchants this morning announcing the death of Mr. Sturgis. Mr. Sturgis' home was at Washington, Pa.

CRIPPEN DEFENSE SCORES HEAVILY.

Expert Admits Sex of Body Found is Still a Question.

DEFENDANTS CHEERED TODAY

Unexpected Developments Makes Case Stronger in Favor of Dr. Crispin and Miss Leneve—Dr. Pepper Mercilessly Grilled.

United Press Telegram. LONDON, Sept. 14.—Under a shrewd, merciless cross-examination today by attorneys for Dr. Crispin, Dr. Pepper, the government analyst, practically repudiated his former testimony and admitted it was impossible to determine the sex of the body found in the basement of Dr. Crispin's home from a pathological study. "It is not this, the way to determine the sex of a body," asked Crispin's attorneys.

"Certainly," replied Dr. Pepper. "This admission leaves the identity of the body doubtful upon a few strands of hair found in cuffs near a lock of hair kept in a man's handkerchief and the remnants of a woman's undergarment."

Dr. Pepper admitted the hair in the cuffs was dark and that in the handkerchief light. One was shorter than the other.

The admissions of both Dr. Pepper and Marshall leaves the determination of the sex of the body a thing upon extensive evidence. It is believed this will be insufficient to prove the identity of the body.

The unexpected developments cheered Dr. Crispin and Miss Leneve. Dr. Pepper testified that the person who removed the viscera from the body was a student of anatomy and a clever surgeon. His work equalled that of a professional surgeon.

Miss Leneve is rapidly breaking down. Depression followed today's citation. Her hands twitch and she is on the verge of a nervous collapse. Dr. Pepper testified the remains were probably buried from four to eight months. He was unable to determine the cause of death.

Clean Up Day Big Success in Town Yesterday. Yesterday was "clean up" day in Connellsville and it was a success from every point of view. The streets were cleaner than for weeks past and the sidewalks also show a brighter appearance. Secretary J. Fred Kutz of the Chamber of Commerce compares the town now with "Spitless Town" made famous a few years back by a big advertising firm.

Not only in the business district was there more than the usual effort made to get the streets and sidewalks cleaned, but the same effort was made in the residential sections. Secretary Kutz this morning expressed hopes that the example will be continued throughout the year.

Gas Lets Go, One Killed in Dugger Mine. LISBON, N. H., Sept. 14.—An explosion of a gas locker in the Dugger mine near here today killed one, fatally injured another and burned 10 badly. Andrew Foster is dead and Bert Rouse will die.

It is believed Foster's lamp ignited the gas. The mine was in good shape when the men returned to work after the explosion.

Jeannie Admits It. Jeannie Hixon admitted being disordered by a man last night and paid a fine before Squier Blair this morning.

BOYS ARE BARRED FROM THE CLASS.

The J. O. C. Society No Longer Has Male Members.

OLD OFFICERS ARE SUPPLANTED

By Girls at a Meeting Held Last Evening—Coolest That is Reported To Have Sprung Up the Outcomes of Unpleasant Conduct.

Men are barred from the J. O. C. Society of the Methodist Episcopal Church and no longer do they attend the monthly social sessions at the home of Miss Mary Butternore of Amesbury avenue. The girls say it was the best meeting ever. They say the boys were not missed. New officers were elected, all girls, to succeed the members of the former sex who have been dropped.

Things went well with the society, which is three years old or more, until two months ago when, according to the story told at one meeting, the boys failed to take the girls home after the party. One subsequent meeting was held but there was a distinct coolness between some of the girls and the unassuming young men. The girls decided if the boys simply came to the meetings to partake of the bounteous lunches, and didn't intend to take any of the girls home, unless they lived but a few blocks distant, the society could get along without them. At the meeting last evening all the girls went home in safety without male escorts.

Miss Anna McDuff, teacher of the class at the Methodist Episcopal Sunday School, touched the conclusion that the young men would receive spiritual benefits better in a class of their own and her class is now composed only of girls. A young man's class is being formed at the Sunday school in which the members of the J. O. C. will be asked to join.

At the meeting last night the three male officers were supplanted by officials in skirts. Miss Katherine Francis, assistant secretary, was elected secretary to succeed Roy Rhodes. Miss Laura Fisher was elected assistant secretary. Miss Mary Butternore was elected treasurer to succeed Ernest Murrie. Mrs. George McElroy succeeds Clarence Cook as vice president.

It was decided to hold a picnic at the White Rocks Saturday, October 1. Miss Hattie Houty, Miss Lila Chantley and Miss Maude Bishop were new members received. A musical program and refreshments followed the business meeting.

A. B. Morton is Celebrating 88th Birthday

A. B. Morton, one of the oldest and most widely known residents of Connellsville, is today celebrating his 88th birthday anniversary at his home on South Pittsburgh street. This evening at 6 o'clock, in honor of the event, Mr. Morton will entertain at a dinner at the Morton home.

Covers will be laid for 18 guests including only the intimate friends of Mr. Morton. Rev. T. H. Pershing, formerly pastor of the local Methodist Episcopal church, will be an out of town guest.

Calm Beside Bier of Child He Took Away

ALEXANDRIA, Va., Sept. 14.—Apparently unaffected, William Florin, Jr., married with a family, stood beside the bier of Ethel May Florin, aged 13, who succumbed in preference to capture after she had eloped with him.

He calmly offered to testify at the coroner's inquest. The two arrived yesterday. Scotland entered the room to arrest the girl who had eloped with him. She had planned to go to Mexico and San Francisco and thence to China.

Both came from Chester, Pa., where Florin was formerly ticket agent for the Pennsylvania railroad.

Married at Seattle. Miss Maude Owens, daughter of E. J. Owens of Seattle, and John McCreary of Conkrob were married this morning in St. John's Catholic church of Seattle.

No Prisoners in. Not a prisoner faced Burgess Evans in police court this morning.

A Love Feast at Champion on September 17

Next Sunday the Dunkard "love feast" will be held at Champion and members of that denomination from all over the mountains will flock to the ceremonies. This year the "love feast" is of national scope among the Dunkards and possesses a particular significance.

All of the picturesque rites of this denomination will be observed, including the washing of the feet and killing of the sacrificial lamb. The ceremony begins Saturday evening, in the full of the harvest moon, and will continue all day Sunday. Excursions will be run over the Indian Creek Valley railroad on this occasion. The last Sunday excursion in the valley for the season will be September 25. The mountains are at their prettiest now.

PERRY HIGH SCHOOL STUDENTS ARE LEAVING

For Various Colleges and Institutions of Learning in Which They Are Entered.

Special to The Courier. PERRY, Pa., Sept. 14.—The following Perry High School graduates will take up their duties in various colleges and universities this week and next: Cecil Enlow, senior year, law, W. Va. University; John Cordner, Freshman, law, W. Va. University; Walter Bradley, Junior, electrical engineer, W. Va. University; Roy Chalfant, Freshman, electrical engineer, State College; Chester C. Hixenbaugh, Junior, applied science, Carnegie Tech; Otis Chalfant, Sophomore, economics, University of Pittsburgh; Edwin Hamilton, Freshman, chemistry, Allegheny College; C. L. Loeve, Junior in University of Pittsburg, will probably take up the Junior year in University of Texas; Earl Hartz, who took his first two years here, will enter Bethany College. This is a remarkably large percentage of boys for a small high school like our own to turn over to the higher institutions and Prof. Snyder and the faculty as well as the patrons are proud of the showing.

UNLAWFUL HUNTING BY PENNSYLVANIANS

Game Warden Appointed to Watch Out For Violators From This Side of Line.

Special to The Courier. MORGANTOWN, Sept. 14.—Numerous complaints have been made recently of supposed violations of the hunting law and the county authorities are taking steps to prevent unlawful hunting in the county. It is said that Pennsylvania game warden, Mr. George W. Smith, who is now in the county, has been appointed a deputy game warden and Marshall H. Houtz has been recommended to succeed him. A sharp lookout is to be kept for the neighboring State violators.

The prosecuting attorney is desirous that any violations be reported to his office as quickly as possible and immediate steps will be taken to prosecute the offenders. Elmer E. Jacobs is the county deputy game warden.

Two Years for Gerbrecht but Stay Granted

NEW YORK, Sept. 14.—Federal Judge Martin today sentenced Ernest W. Gerbrecht, former superintendent of the Westchester prison, to two years in the Atlantic prison and a fine of \$5,000.

The sentence was convicted of conspiracy to defraud the government. A stay was granted pending an appeal. The sentence of Charles J. Holsa, former secretary of the Sugar Trust, was postponed until tomorrow. Gerbrecht was given until tomorrow to furnish a new bond of \$20,000. In arrears witnesses swore that for many years not a single cargo of imports unloaded in New York was honestly weighed.

The government was defrauded out of millions of dollars. At the trial of George E. Bostell, formerly chief clerk to former Deputy Surveyor of the Port of New York, Charles D. Drew and C. H. Wardell, witnesses on Wall street, indicted for fraudulent weighing of cargoes, former weigher James P. Hyland admitted active participation in the fraud. He was not getting much money and to keep peace in the "crew" family he was permitted to collect graft. In December one dock on South Brooklyn turned in \$12,000 and Wardell received \$400 for his share.

Gen. Restaurant Again. W. C. Bishop is back in the restaurant business once more. Yesterday he purchased the old restaurant on South Union street, which he only sold some months ago. He paid \$325 for the place and will resume business on Monday.

Exposition Hall Collapses. CHARLOTTE, Belgium, Sept. 14.—(Special.)—The exposition hall collapsed today and it is feared many have been killed. Two bodies have been recovered and a score of injured rushed to the hospitals.

School Board Meeting. The monthly meeting of the Connellsville school board was held in the school building.

The monthly meeting of the Connellsville school board was held in the school building.

The monthly meeting of the Connellsville school board was held in the school building.

RUSHING WORK UP IN SOMERSET.

Baltimore & Ohio's Husband Branch Being Rapidly Built.

TERRITORY IT WILL OPEN

Will Make of Husband One of the Important Towns of the County—Big Mine of the Quenahoning Company is Located There.

The Ezy-Shoemaker Contracting Company, the Philadelphia firm constructing the new lines of the B. & O. railroad from Somerset to Acosta, have three gangs of about 100 men each at work and are pushing the work with as much speed as possible. The gangs are located at Husband, Acosta and a point about midway between the two villages, with a small force of men, about 100 working in North Somerset.

It is stated that the road will be operating by the first of next May. At Husband there are three steam shovels in operation. One force of men is building all the concrete work. All the culverts are being constructed from concrete.

One of the cuts at Husband will be more than 75 feet in depth, blasted through solid rock. This cut will be nearly a mile long. There is also an enormous fill of about 100 feet high and half a mile long. About one third of this fill has been constructed. The cut has been dug to a depth of about 35 feet. In the construction of the fill it is necessary to build trestle work of heavy timbers and to lay a construction track along the top so that train loads of earth may be dumped at the most advantageous places. At Acosta several deep cuts will have to be made and considerable grading is necessary. Between Husband and Somerset there will be no need of much heavy grading. It is the intention of the contractors to push the work vigorously.

Real estate at Husband has doubled in value and is still rising steadily. New houses are being built, and a hotel is nearly completed. When the new mine is in operation the streets will be lighted by electricity, and it is stated that a water system will be installed.

Real estate at Husband has doubled in value and is still rising steadily. New houses are being built, and a hotel is nearly completed. When the new mine is in operation the streets will be lighted by electricity, and it is stated that a water system will be installed.

A New Garage May be Erected by Pittsburgers

For the purpose of establishing a modern automobile garage at Connellsville, intended to be one of the largest in the State outside of Pittsburgh and Philadelphia, several parties were here yesterday seeking a site. They desired to displace their identity until the matter of securing a satisfactory location is decided.

It is said the prospective garage owners prefer a location along North Pittsburgh street and are looking at the old United Presbyterian church property. That is one of the few available sites sufficiently large for the purpose desired.

The garage business is apparently a tempting one. Work & Clark have just about completed the erection of a new garage on Apple street which was built to give more room to a rapidly growing trade. It is reported, although the rumor lacks confirmation, that Uniontown parties contemplate building an addition to the present garage on South Pittsburgh street, being vacated by Work & Clark, and will also conduct an automobile agency and repairing establishment.

Fruitmen Giving Fruit Away. HIDEBOLO, Pa., Sept. 14.—Bedford county's fruit crop is probably a record breaker. Peach, plum, apple and other fruit trees are over-burdened. The fruit market has dropped to a point where the products of the orchards are given gratis in many instances to anybody who will come and take them.

School Board Meeting. The monthly meeting of the Connellsville school board was held in the school building.

The monthly meeting of the Connellsville school board was held in the school building.

The monthly meeting of the Connellsville school board was held in the school building.

THE SMITH JURY COMPLETED TODAY.

(Continued from First Page.)

accepted by the Commonwealth, but the greatest surprise came when the defense took him as juror No. 12. The jury was completed at 11 o'clock. Not in years has it been necessary for the court to order a second special venire of jurors called. Out of the 80 summoned on Monday night to appear yesterday morning, 59 were present. Sixty-nine were examined on Monday following the arraignment of the prisoner. Eight were accepted and took seats in the box. The Commonwealth's attorney, George Patterson, used eight peremptory challenges on that day. Attorney W. C. McKean, appearing for the defense, used seven of the 20 allotted to each side.

On Friday morning 20 jurors were called, of which three were accepted. Six peremptory challenges were used by Patterson. The afternoon session opened with only 20 of the panel remaining. They were exhausted in exactly one hour. Considerable time was spent in questioning peremptorily. H. R. Lytle, attorney for the Commonwealth, named a good candidate for the box. He was challenged by the defense, because of a fixed opinion. After further questioning by Patterson, the latter submitted to the court that the challenge could not stand, following which the juror was accepted, following which the juror was accepted, following which the juror was accepted.

During the afternoon the defense used three peremptory challenges making their total ten against the 15 of the Commonwealth. Judge Van Swearingen ordered Sheriff P. A. Johns to summon 40 men on the second venire. His clerk at once proceeded to draw up the list. Within a short time, Johns and the deputy sheriff had started to serve the subpoenas. The usual trouble was encountered. Men who had been on the streets for some time suddenly remembered important business engagements when they replied one of the officials approaching.

There was some argument among a group of lawyers in the attorney's room at the Court House yesterday afternoon as to what most of the jurors had meant when they swore they had a fixed opinion as to the guilt or innocence of the defendant. Some suggested that a number of the jurors had followed the example of those excused before them, and had sworn they had a fixed opinion as to the guilt or innocence of the defendant. As ruled by the court, a fixed opinion is one that cannot be changed. Most of those who had sworn they had a fixed opinion were excused. Only a few were retained. Their opinion would stand against the testimony.

At the beginning of the trial, both sides thought it would take from two to four days in which to secure a jury. They figured it will require about ten days to take the testimony. Over 70 witnesses have been summoned by the Commonwealth. A large number of these will assist in proving the guilt of Smith. It is said the majority of the residents in the vicinity of the Smith home are firm in their belief that he is sane. This point will all the prosecutor's contention. On the other hand, the defense has all of the people equally interested in the prosecution on their side. They believe that there will be only a few witnesses produced for the defense.

Smith's wife with his hand thrown forward. Not once did he turn his head to look at the woman who was sitting next to him. He was looking at the juror when ordered to do so by Clerk J. H. Hinton, prior to entering the box. He was looking at the juror when ordered to do so by Clerk J. H. Hinton, prior to entering the box. He was looking at the juror when ordered to do so by Clerk J. H. Hinton, prior to entering the box.

Louis Gruber, indicted last Saturday by the grand jury for a murder of Frank Hinkle at Point Marion on August 19th, seems to be little interested in the present trial. Although he laughs and jokes with some of the prisoners in his cell to do with Smith.

The second special venire consisted of the following 11 names: J. L. Hinkle, J. L. Hinkle, J. L. Hinkle, J. L. Hinkle, J. L. Hinkle, J. L. Hinkle, J. L. Hinkle, J. L. Hinkle, J. L. Hinkle, J. L. Hinkle, J. L. Hinkle. The venire was called by the court at 10 o'clock. The venire was called by the court at 10 o'clock. The venire was called by the court at 10 o'clock.

BOOKS.

Men and Women Are Often Judged by the Literature They Prefer.

You can judge a man's character and tastes pretty accurately by the books he reads. A man who constantly reads trash is not likely to have a brilliant mind nor a strong individuality, but the man who daily reads a book of the best thoughts of men and women who produce the best literature is certain to have his mind enriched and his character broadened. However, this may be true, there is one book that every man and woman should have and that is a book of the best thoughts of men and women who produce the best literature. Such a book adds to the character and standing of any man in any community—stamp him a reliable man. And it's not hard to obtain. TRUST SCHOOL BOARD.

Will Meet Saturday to Pay Bills—Examination this Year.

A meeting of the Lower Tye township school board will be held Saturday afternoon at the Dawson National Bank. A number of bills will be paid and other routine business transacted. Last Saturday was the regular meeting of the board but there was no meeting owing to the absence of a quorum. The enrollment of the township schools this year shows quite an increase over that of last year. On the opening day of school there were 100 on hand with the exception of Miss Nellie Murland, who was confined to her home with a sprained ankle. Last Saturday morning she was able to take charge of her school with the aid of Miss M. J. Cole.

HOODKINS IS LEAVING PERRY FOR CHESTER, PA.

Former West Side Man Will Make His Residence There, Having Purchased Home.

Special to the Courier.
HODKINS, Sept. 14.—M. Hodgkins, one of the leading citizens of this town, will leave Thursday for Chester, Pa., where he has purchased a fine suburban residence and will live in retirement after some 10 years of active life in the drug business. Dr. Hodgkins came here four years ago from the West Side, Connelville, where he conducted a prosperous business. Since leaving here Mr. Hodgkins has been a leader in the advancement of every movement for local betterment and he and his family, consisting of Mrs. Hodgkins and a daughter, Pauline, has acquired a host of friends who will miss them. Mrs. Hodgkins is an active worker for charity and is just at the temperance movement.

EDCARD-RODRIGUES

Wedding This Morning at the Home of the Bride.

A very pretty but quiet home wedding was that of Miss Margaret Mae Edcard, only daughter of Mr. and Mrs. Joseph H. Edcard of North Pittsburg street, and John Lawrence Rodrigues, which was solemnized this morning at 1 o'clock at the home of the bride in the presence of only the immediate relatives of the bride and bridegroom. The impressive ring ceremony was performed by Rev. G. W. Myers, pastor of the Christian church. There were no attendants and the bride wore a traveling suit of blue serge.

Woman Falls 10 Feet.

UNIONTOWN, Sept. 14.—Miss Sarah Springer, a milliner, stepped on a glass splinter in a department store here yesterday morning and fell 10 feet. She is in a serious condition at her home.

PILES BRING DESPAIR.

Take Courage! Internal Treatment Will Cure.

Piles make life unhappy and ruin the best disposition. Most sufferers have been bitterly disappointed by many failures to find a cure. A medicine in tablet form, taken internally, that cures the unpleasant features of hemorrhoids, suppurations and operations, and cures thoroughly by removing the cause, is surely worth trying, especially as A. A. Clarke, Connelville, Pa., guarantees it.

Dr. Leonard's Hem-Roid costs \$1 for a large box—24 days' treatment. Dr. Leonard & Co., Station B, Buffalo, N. Y. Write for booklet.

SOCIETY.

Session of Missionary Meeting.
The executive committee of the Women's Foreign and Home Missionary Society of the First Presbyterian church met last evening at the home of Mrs. J. C. Hall on Morris avenue and planned work for the ensuing year. The officers of the two societies composed the committee. Arrangements were made for the annual thank offering service and also for the offering to be held on the last Thursday afternoon in October.

PERSONALS.

Mrs. Jacob Morgan was called to Lehigh Valley this morning by the illness of her son, Mr. J. C. Morgan, who died in the Connelville hospital following an operation. Deputy Revenue Collector J. M. Martin left for his home in Lehigh Valley yesterday on his way to Berlin.

DEATHS.

Miss Debbie Moon, 25 years old, died yesterday morning at the home of her mother-in-law, John Lindeman on First street, South Connelville, following a two weeks illness of pneumonia. Deceased was a daughter of Johnathan and Debbie Morrison Moon, deceased and was born and reared in Connelville. She had made her home with her mother, Mrs. J. C. Moon, until she came to the home of her mother-in-law, Mrs. John Lindeman, on First street, South Connelville, on August 1st.

WOMEN'S SECRETS.

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half a million women in a practice of over 10 years, it is phenomenal, and entitles Dr. Pierce to the gratitude recorded him by women, as the first of specialists in the treatment of women's diseases.

DR. PIERCE'S FAVORITE PRESCRIPTION.

Makes Weak Women Strong. Sick Women Well.

Here Comes the Famous and Timely

SPECIAL INFORMATION

Customers who do not want their purchases delivered until October, November or December, can pay a small deposit down and we will hold and deliver them when wanted. We pay freight on all purchases of \$5.00 and over.

SPECIAL INFORMATION

The reductions of price have no effect on our regular High Class Credit System. You are entitled to it, and you get all the benefit of the Low Selling Prices.

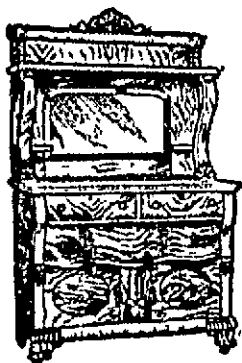

BEGINNING IMMEDIATELY!

REDUCED PRICES ON ALL BRAND NEW FALL GOODS IN EVERY BLESSED DEPARTMENT OF THE STORE!

Well, here it is! You have waited for it! You have all remembered the similar sale held a year ago. And you'll be glad to know that this one will eclipse it in every single detail.

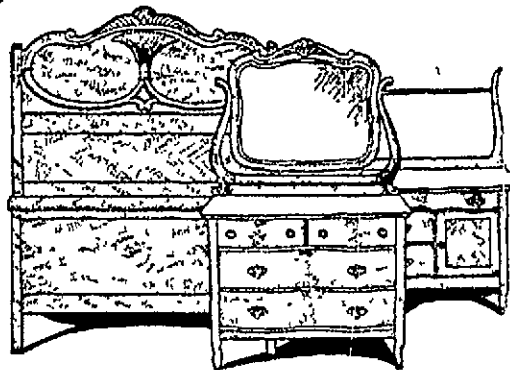

Those of you who have always regretted missing the last one, must not miss this. Take some sure way of remembering to come and select from these brand new goods at reduced prices! And don't forget the following vital points:

- 1—Every article is marked with a special tag, showing the original price, then the reduced price.
- 2—All goods are marked in plain figures.
- 3—All goods will be stored free until you say, "Deliver them."
- 4—We carry under one roof everything for the Home.
- 5—We have none but New Goods, mainly advertised lines with a national reputation.
- 6—We carry none but guaranteed goods and will make good any defect, should any be discovered.
- 7—We offer by far the largest line of furniture, rugs and house furnishings in Western Pennsylvania.
- 8—Your credit is good as gold if you wish to use it!

SUBSCRIPTIONS.
DAILY, 10¢ per copy, 10¢ per copy.
WEEKLY, \$1 per year, 50¢ per copy.
PAY NO MONEY TO ORDER, but only
to collectors with proper authority.
Any irregularities or carelessness in
the delivery of The Courier to homes
by the carriers in Connelldale or our
agents in other towns should be
reported to this office at once.

ADVERTISING.
THE DAILY COURIER is the only
daily newspaper in the Connelldale
area which has the honesty and
courage to print a daily report under
the name of the exact number of copies it
prints for distribution. Other papers
put forth some extravagant claims but
furnish no figures. Advertising rates
on application.

THE WEEKLY COURIER is the
recognized organ of the Connelldale
area. It has special value as an
advertising medium for such interests
as are second class matter at the
postoffice, Connelldale.

WEDNESDAY EVE'G., SEP. 14, 1910.

It's all right to be a Progressive
within the party, but it's all wrong
to pull down the pillars of the Republi-
can temple and involve the party in
one common ruin. There can be no
justification for it. The salvation of
the country can be better worked out
within the Republican party.

Some of the Republican prophets
predict a gloomy future for the
country. Think it over, so restless
ones.

Some of the Republican prophets
predict a gloomy future for the
country. Think it over, so restless
ones.

When our foreign friends desert
their wives and return to the old
country, they probably argue that there
are no good fish across the sea as ever
were caught.

The two Grims raised Scotland's
Democratic hopes to the highest pitch
on Saturday.

Dunbar township thieves steal corn
and potatoes from the fields of the
farmers. The robbers have evidently
been impressed by the doctrine of
Conservation, and are doing their
best to get back to the soil. The only
trouble about their plan is that it
isn't in the plan to lead directly
back to the soil.

The statistics of baseball are almost
an interesting feature of the season
of the coke region in the statistics of coke.

Corn roasts are the favorite ban-
quets of the season.

The State can't get any bids on
printing the Legislative Record. The
Government does its own printing.
Why not the State?

On the side, the new trolley cars
are here.

Fixed opinions seem to be the pre-
vailing disease in the South murder case, but there
seems to be a remarkable dearth of
conscientious scruples against capital
punishment.

The experience of a Baltimore town-
ship farmer whose barn has been
destroyed by lightning gives him
the old adage that lightning
never strikes twice in the same place.

Bellefonte loses an old land mark,
but gets a handsome new railroad
station. The exchange is a desirable
one.

A useless hotel is reported to be
under consideration in New York. It's
a dream.

"As Maine goes, so goes the Union."
is an old political proverb, but it is
somewhat out of date. There is another
unfolding that, it was, "As Pennsylv-
ania goes, so goes the Union."

The Prohibitionists charge that the
brewers, contrary to law and in dis-
regard of the courts, own all the saloons.
If they know this to be a fact, the
Prohibitionists are not the Good Citizens
they claim to be if they do not furnish
the judges and other officers of justice
with their information.

The United States army is reported
to be lacking in officers. This is rather
remarkable. A peace army is usually
composed of more officers than men.

West Virginia is getting ready to
plunge Pennsylvania into a war of
the line without having contributed
properly to the West Virginia treasury.
The Mountain State is going in strong
for home Conservation and foreign
Contribution Pennsylvania hunters
should hunt at this. Most of them
will do quite as well.

Colonel Roosevelt has announced his
intention of fighting the New York
House. When he has licked them, who
then will be the boss?

Automobile garages are growing in
Connellsville. If we get a Democratic
Congress, some of the people respon-
sible for it can hire at a very low rate
a few huts suitable for meetings
which may be held for the purpose of
kicking each other.

THE SEASON AT WASHINGTON IS ON.

WASHINGTON
CORRESPONDENCE.

United Press Special.
WASHINGTON, Sept. 13.—It may no
longer be ascribed to an over-enthusiastic
anticipation to say that the beginning
of the end of the great task of digging
the Panama Canal is in sight.

The structure, it may be well called
that for the digging of the great ditch
is but one feature of the work. In tak-
ing such definite steps toward the
fourth without the trained imagination
of the engineer for looking into the
future, can see what the canal is go-
ing to be by running over the course
through the zone from Colon to Pan-
ama.

In the Colon and Chagres sections
where the greatest amount of excavat-
ion is to be done, is a deep gash
through the hills. In the Colon sec-
tion of the 84,000,000 yards of dirt and
stones that were to be taken out, the
steam shovels have already scooped out
more than 50,000,000 yards. In the
Chagres section of the thirteen million
yards of excavation, ten millions have
been taken out. In the other sections the
work of this character is almost com-
plete with the exception of the deep-
ening of the channel to the sea.

In eastern sections of the great dam
at Gatun has been brought up to the
level of 65 feet above the sea. More
than nine millions cubic yards of wet
and dry "fill" have been placed there
which will be in the form of a lock.
Water to form the lake from which
water is to be drawn, to supply the
locks, is now so nearly finished that a
sight of it conveys an adequate idea of
its tremendous bulk.

The gigantic locks are being out-
lined in concrete. The upper or lake
level lock of the flight at Gatun is al-
most completed. The walls have al-
most reached their full height and the
lower or sea level lock will soon be
moved to the lower locks of which the
floor has been practically completed.

A story of the sun perils which are
faced every year by the men of the
revenue cutter service, is told in the
report made by Captain D. J. Foley,
commander of the Derinc Sea Fleet,
upon the wreck and abandonment of
the cutter Perry.

Narrow escapes have been many, but
the Perry, thanks to the skill of the
revenue cutter service men, is the first
one which has been sustained by the
Government in what are perhaps the
most perilous conditions of navigation
in the world.

The wreck occurred on the Tontit
Point Reef at St. Paul's Island Cap-
tain Foley says, "The Perry was
wrecked and fast aground, forward
and astern, and all her compart-
ments below the decks were filled
with water. I decided to abandon her
after consultation with the officers of
the Perry and Manning, being con-
vinced that it was absolutely impos-
sible for us to save her without wreck-
ing appliances that were not on hand
or available. Even if we should suc-
ceed in pulling her off the rock, it
would be only to have her sink and
we should be risking another and
certainly more valuable vessel in the
foggy ground around her."

The Perry is lying in a very ex-
posed position, the tide ebbs and flows
in her, and in my opinion, she will
break in two in the next blow from
any quarter, except directly from land.
The only way to save her is to pull
her off the rock, and I have ordered her
stripped. A large
part of her stores and outfit had al-
ready been put ashore before the wreck.

The accident happened while the
Perry was on her way from Northport
Point to East Anchorage, St. Paul's Is-
land, for mail. The Tullahoma (Captain
Foley's cutter) heard the distress signal
of the Perry at St. George's Is-
land, and proceeded at full speed to her
assistance, but was unable to give aid
because on her arrival the hull and
stern of the Perry were full of
water and she was pounding on the rock.

Conversation about the Perilous Is-
lands and in particular about St. Paul's Is-
land, which is fringed with danger-
ous reefs, is very difficult because of
the foggy dense atmosphere which prevails
during the sailing season, and the
treacherous currents varying in force
and direction according to no known
law.

"The vessels must cruise in fog to
make the perilous efficient, because it is
in foggy weather that the sealers ap-
proach the rockeries and the cutters
must keep in touch with the land in
order not to lose the animals. In the
past season the four lost them for
three days and other vessels have
cutted about them for days without
finding them."

The revenue cutter Adams struck
Tontit Point in 1898, and the Corvick,
Blue, McCulloch and Manning went
ashore there, but those vessels had
wooden bottoms and sank in the
cove of the Perry the rocks pierced
the metal hull and there was no hope
of escape.

"It is as Captain Foley says, the
waters around the seal islands are the
worst in the world." Said Captain
Foley, "I have seen the worst of the
worst of the worst in the world. The
report 'You strike a current sweep-
ing along, and when you get into it
it is running in the opposite di-
rection.'"

John Linsley, Foley, aged 38 years,
was admitted to the Cottage State hos-
pital last evening with a compound
fracture of the left leg, sustained by
an accident with which he met in the
mine at Edenboro.

Will Not Shut Down.
Superintendent Lloyd of the Morgan-
town mill has denied that there is
any truth in the rumor that the mill
will be closed for a week about the
first of next month.

All That is New in
Dress Materials

New Weaves, New Patterns, New
Colorings, New Trimmings. To
Meet the First Call of the Season.

50c Suitings.—We've a good showing of these in
yard wide diagonal weaves and 50 inch batists. All
the staple colors are represented. They are particu-
larly good for children's school garments and one-
piece dresses. Extra good values at 50c

\$1.00 Suitings.—All wool taffetas, poplins, serges
and mixtures, 40 inches wide and including all the
newest colorings. Have made a special effort to give
the biggest values possible in these suitings at \$1.00

Fall Serges.—Always popular and especially
good this season. We've a good range in quality and
price from 50c up to our finest French Serges at
\$1.35. All the leading colors and shades are shown.
Ask to see them.

Broadcloths.—In dark and evening shades, also
in black. Fine French qualities, steamed, sponged
and shrunk ready for making up. Too much cannot
be said of these at the price \$2.50

Duke	3	3	.500
Lennon	3	3	.500

The Central Frick League wound up the season without a deficit. To those who have backed the professional game around this part of the country for the past several months this seems incredible but it is nevertheless true. At the beginning of the season each team posted a forfeit of \$25 to guarantee it would remain in the circuit and to help defray the necessary expenses of the league. At the meeting last night, called for the purpose of winding up the year's business, Treasurer Shutterly was able to return approximately one-third of this amount to the coffers of the respective teams.

Like all previous meetings of the league this last one was harmonious. It was a fanning bee until Treasurer Shutterly got down to figures. The magnates displayed their usual generosity in declining to haggle over any accounts that might be questioned. The bills presented were passed up read.

After this had been done resolutions were adopted thanking President R. S. Coll and Treasurer L. E. Shutterly for their efficient services and extending a liberal cash contribution to Secretary George S. Connell for his hard work that developed on his job. The players were commended in the strongest terms for the gentlemanly conduct both on the field and off. The umpires were also remembered and The Courier and News for their liberal support.

Superintendent C. D. Franks was congratulated by the others on winning the pennant for the first Central Frick League season. There was no jealousy and no envy; and, besides, the Lisenberg boys were too gentlemanly an aggregation to do anything but

J. DECKER BEST

AT FIRST BASE.

Clever Bitner Boy Didn't
Make an Error in Elev-
en Games.

FORSYTHE STAR AT SECOND

Also of Bitner, He Is Real Leader
Fielding That Position in Central
Frick League—Sisley and Hanson
Both High—Clinkers Many.

From time to time during the off season The Courier will print the various averages of the Central Frick League players. By the time the season of records is complete everything will be told that can be from the official records. Frick league fans can rest content that there will be plenty of winter baseball dope for home consumption.

The fielding averages of the first and second basemen, including all who played those positions in three or more games, have been compiled. J. Decker of Bitner leads the first class, going through 11 games without an error. J. F. Forsythe, also of Bitner, was the normal leader of the second base class. Sisley and Hanson were well up in the first base records while the only two players at second in a dozen games are pretty well down the line. The averages:

First Basemen.	G.	P.	A.	E.	Pct.
J. Decker, Bitner	11	72	0	1,000	
Blitzer, Bitner	3	27	0	1,000

Petrone, Leaver	5	5	0	.714	

Barry Batted .167.

By accident, and not design, the batting average of Captain Dick Barry of the Lisenberg team was omitted from the records printed yesterday. Captain Barry participated in 12

games and hit .167. He was at bat 42 times, scored 10 runs, had seven hits, four stolen bases and five sacrifice hits. Captain Barry was at all times a valuable, aggressive ball player and a gentleman on and off the field.

PLAISTED 8,500 VOTES AHEAD

Late Returns From Maine Shows Two
Republican Congressmen Elected.
Augusta, Me., Sept. 14.—The latest returns from the state election give Plaisted (Dem.) 73,245; Fernald (Rep.), 64,736; thus giving Plaisted a plurality of 8,509.

There is no question of the election of Asher C. Hinds (Rep.) in the First district over William Pennell (Dem.) and that of Congressman Frank E. Cavanaugh (Rep.) over George M. Hanson (Dem.) in the Fourth district, although the majorities are very small.

Daniel J. McGillicuddy (Dem.) has a lead of 2,500 over Congressman John P. Swasey (Rep.) in the Second district and Samuel W. Gould (Dem.) a lead of 2,200 over Congressman Edwin C. Burleigh (Rep.) in the Third district.

Returns give the Democrats twenty-one out of thirty-one state senators and eighty-six out of 151 representatives. The Democrats lack but fifteen of having a two-third vote in joint convention.

WANTS BAND AT FUNERAL

Cleveland Woman In Her Will Leaves
Money For the Music.

Cleveland, Sept. 14.—In her will Mrs. Katarina Artin, who died a few days ago, gives explicit directions as to the conduct of her funeral. "I leave \$100 in the bank," she says in the document, "and \$250 of this to be used for my funeral. I want the music of my lodge to take the banner out at my funeral and I want the band to play." Mrs. Artin left \$100 to her Greek Catholic church and the rest to her husband under certain conditions.

Confiscate Booze by Gallons.
Connecticut, Sept. 14.—One barrel of wine, one keg of beer, ten cases of beer, and sixteen gallons of whiskey were confiscated in a raid here.

This First Part of September is of Two-Fold Interest to You.

1. New Goods are coming into every department of the store.
1. The basement Store opens the season with good values low priced.

Glass	Tinware	Gas Fixtures
China	Wooden Ware	Kitchen Utensils
Granite	Silverware	Bric-a-Brac
Porcelain	Aluminum Ware	Copper Ware

So many visitors express surprise upon entering this model basement store. They were not expecting to find a clean, cool, well lighted and busy establishment underground. Nor were they expecting to see such quantities of pretty and useful wares and marked lower in price than at most places. A salesperson explains the method of conducting this complete furnishing department. The visitor is told of a similar department with a grocery in connection in the Uniontown store; that buying is executed for both stores at the same time; that rent, heat and light is partly eliminated from the basement's expense account because of its connection with the store proper. Many other reasons are advanced that space in this article won't allow. They are good reasons, too; why you should buy from this complete basement store and save on every purchase.

Sale Begins Thursday Morning, Sept. 15, and Lasts One Week.

Clean-Up Of Summer High Shoes

For Men and Women

1,000 Pairs Left Over. An Opportunity to Save Money.

Must Make Room for Winter Footwear

It has now come to the time when we must get rid of our summer high shoes. We have the largest stock in Fayette county. We buy very, very heavy. We have to in order to accommodate our trade. We buy from AA to EE widths. We never have nor ever expect to be able to sell every pair without having a special sale. We think it good business to clean these odds and ends rather than carry them over. We do this twice a year, hence there is not an old pair among them. This sale will include what is left from the past six months' selling. For six months you have paid us full price. Now for one week we forget about profit, and part of the original cost. Now is your opportunity. 1,000 pairs left to pick from.

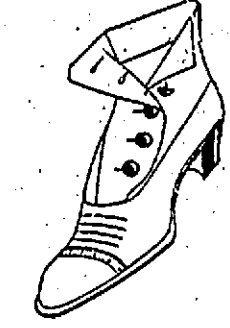

Zeigler and Edwin C. Burt's Summer Shoes for Women \$2.85

These shoes are noted for their high grade, excellent wearers and the very best of styles. They include patents, gum metal calf and tans. Button and lace. Dull and cloth tops. We have about 250 pairs of these shoes left, while we don't have all sizes in any one of them, yet you will be able to get a pair out of the whole lot. Price \$2.85.

Johnson Bros., \$3 Summer Shoes for Women \$2.35

We always buy heavy from these people and good wide widths, also very large sizes. They include patent button shoes, plain or tip, cloth and dull tops, also dull leathers with cloth tops which have been very popular this summer. Also a great many lace shoes, these have been poor sellers this summer due to most women like button shoes. Price \$2.35.

WALK-OVER and Banister Shoes FOR MEN

\$5.50 WILL SELL FOR	\$4.50
\$5.00 WILL SELL FOR	\$4.00
\$4.00 WILL SELL FOR	\$3.00

Mostly all patent leathers in button and bluechers. Good toes and good styles. This summer's shoes. All light soles.

\$3.50 Summer Shoes FOR MEN \$2.85

In this class you will find some heavy soles, but sizes are cut up badly. We sell a great many of these shoes for work, hence they should be heavier. This is the strongest department of our store in \$3.50 shoes. Ask those who buy from us, if we don't sell the best \$3.50 shoes sold in town. Price \$2.85.

SEE OUR WINDOWS FOR DISPLAY

We have displayed both \$2.85 lots for men and women in our windows. We want you to look them over carefully and see if you won't be able to save on your shoes for this fall. Lots of nice weather to come yet. Remember there are no better makes of high grade shoes to be had than the ones we sell.

NO NEW FALL SHOES INCLUDED IN THIS SALE.

C. W. DOWNS & CO.

127 NORTH PITTSBURG STREET,

CONNELLSVILLE, PA.

\$2.85

A Black Cravenette, Plain Toe Button, All Sizes.
